

Rotarians Inspired to Succeed & Engage

District 5030 Emerging Leader Program

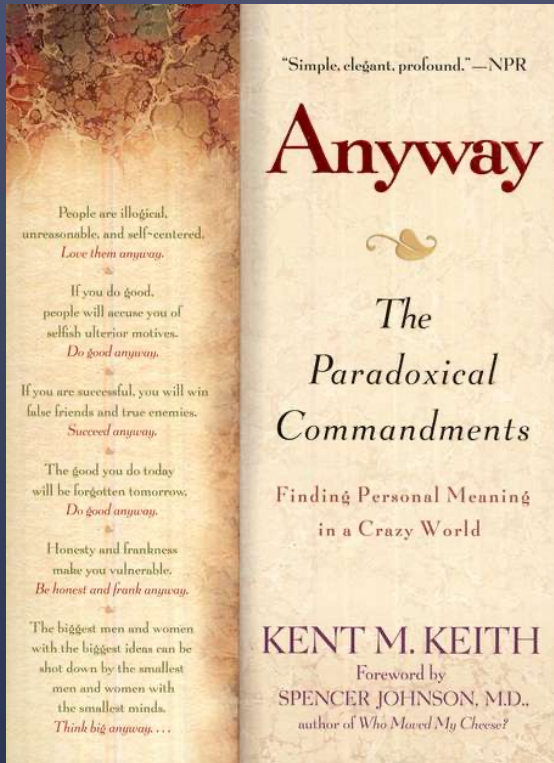

A District 5030 Leadership Program

Value to clubs:

- Member Recruitment & Retention
- Attract Corporate Memberships
- Professional development based on emerging thought leaders and adult learning principles

A six-week hybrid program that includes networking, **five** virtual classes and a mentor pairing

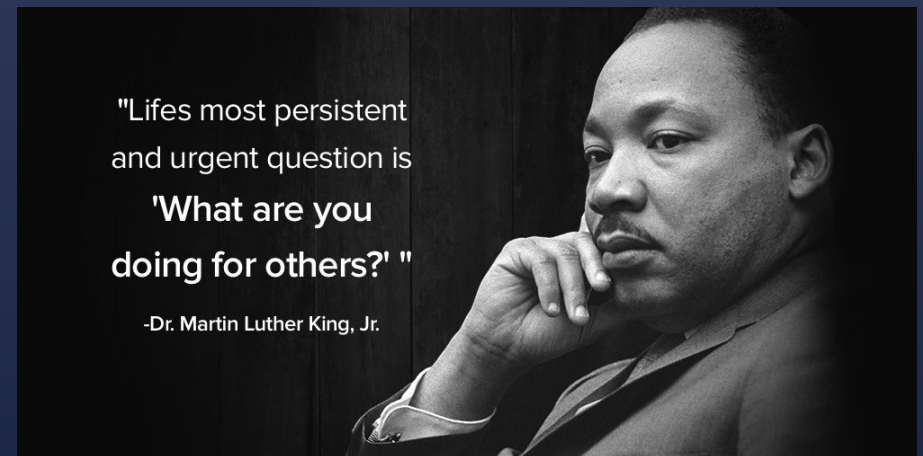

Inspired by Jerry Hall, District 5190 PDG and Dr. Kent Keith, Servant Leadership Author and Consultant

Piloted in 2021 as a virtual leadership program

Trainings draw upon proven leadership concepts focused on serving others and growing executive skills applicable to business or profession and Rotary

District 5030 was the first to adapt and launch this program and include a mentor match

Why is RISE important?

- Increase the stickiness of new members
- Content is immediately applicable to the workplace
- Rotary principles are paired with leadership best practices

“I think the RISE program is valuable tool, both for those early in their professional or Rotary careers with limited leadership experience, and for those later in their careers as a litmus test to reflect on whether one’s leadership habits have been as productive as one hoped.”

Mark Ward, President Elect
West Seattle Club

TESTIMONIAL

"This program enhanced my abilities as a leader and connected me to inspiring leaders like Ezra Teshome. Beyond theoretical practice, these lessons gave me tools I needed to implement positive change at both work and at my #rotary club. Inspired by lessons on Servant Leadership, my efforts helped produce the most successful sales event to date at Becker Cosmetic and has inspired our Rotary club to expand additional mentorship to other young professionals."

Roma Seal, 2023 RISE Graduate

Opportunities to Participate:

- Recruit a RISE participant from your club
